PROSPECTUS

www.kingstonschool.com.pk

The Vision Statement:

The vision of Holy Prophet Muhammad (Sallala-hu-Alaih-e-Wasallam) "Acquire Knowledge".

It is the enableth is prossesor to distinguish right from wrong". It lighteth the way to heaven; it is our friend in the desert. Our Society is Solitude, our companion when friendless; it guideth us to happiness; it sustaineth us in misery. It is an ornament amongst friends and an armour against enemies".

Holy Prophet

حضرت محمد مصطفیٰ ﷺ

Message by the Quaid-e-Azam

” Without education it is complete darkness and with education it is light. Education is a matter of life and death to our nation. The world is moving so fast that if you do not educate yourselves you will be not only completely left behind, but will be finished up. The Holy Prophet(PBUH) had enjoined his followers to go even to China in the pursuit of knowledge. If that was the commandment in those days when communications were difficult, then, truly, Muslims as the true followers of the glorious heritage of Islam, should surely utilize all available opportunities. No sacrifice of time or personal comfort should be regarded too great for the advancement of the cause of education.

Quaid-e-Azam Muhammad Ali Jinnah

Hatred intolerance
poor hygienic conditions
and violence all have roots
in illiteracy, So we are
trying to do some thing
to help the poor and
the needy.

Dr. Abdul Qadeer Khan

WELCOME Kingston School

I firmly believe that Education is the basic Rights of all human beings living on this planet regardless of their social background. An Educated Nation is democratically stable and consistent in the Economic Viability. A lesson learnt through my passion for Education for the last three decades. I hope an desire that our education system should produce responsible, enlightened Citizen to align Pakistan with the global Frame work of economic and social prosperity. I am confident that Kingston Schools will suffice this dire need of our society.

I am proud of the fact that we have been able to make remarkable congeniel for quality education in Pakistan. I therefore, welcome to parents and their children to become part of Kingston Schools family to grow together. I believe it is today we must create

Kingston School is committed to provide advanced & best academic education to young kids in congeniel & friendly environment by introducing up to date syllabus & exceptionally well qualified, dedicated faculty. Alhamdulilah in a very short time it has to become one of the leading institutions in private sector that focuses on achievement of highest standards of performance. Our Nursery is equipped with paragon & seasoned teachers who are pioneers & masters in their respective fields.

The educational process at Kingston goes far beyond the traditional acquisition of knowledge & procedural skills. Development of personality traits & creative thinking are prominent features. The object of Junior school is to provide the kids an atmosphere their potential finds a free expression & to groom them is the basics so that a sound foundation is laid further studies. I take pride in announcing that we offer admissions in our well equipped & well reputed Kingston School which provides a vidrant & friendly environment. If you want to be a part of conducive & candid learning environment. Kingston is the best place to enhance educational competence.

“At the Kingston School, we value our reputation for modern education & training in a wide range of disciplines and Kingston School has much offer its student whether they came for taught education or to take certification by studies. Dear Parents, we needs to instill in them the true spirit of fast vanishing brotherhood, goodwill, self respect of other and above all importance of life and positive approach towards it, be it any where and of anyone.
